Memo.

On reference to the slip attached hereto, it will be observed, that precedents according sanction to such bills would not be found.

If the file had been found, it would have contained some precedents. All my efforts to trace out the whereabouts of the same have become ineffectual.

I have seen two or three cases in which Government

(10)

accorded sanction to such bells. The only objection which the Government have is that the bells and badges used by the Daffedars and peons of Mutts should not resemble those worn by the Daffedars and peons employed in Government offices and that they should be of a different form altogether.

The vernacular papers are silent as to the latter point.

His Docket No. 990 dated the 10th April 1893 submitting a specimen of a badge and belt proposed to be given to the peons of Sri Chaturbhuja Pattabhiramaswami's temple Matt at Holé Narasipur.

In reply has the honor to state that according to the Notification No 211 dated the 16th January 1868 issued by the late Chief Commissioner which is still

in force, the servants and
retainers of private Indi
-viduals are not to wear
badges similar to those in
use with the Govt Servants
The specimen badge received
with the Docket under reply
is a circular one and it is
liable to be mistaken for
one used by the peons of
the Taluk Cutcherry, while
on the contrary if it were
a square one it would
resemble that worn by
peons of the District Office
2. To obviate this
objection a rough specimen
of a different shape of badge
is herewith forwarded,
and the Matt's Agent may
be instructed to prepare
and issue badges to the Mc
according to the ~~Sam~~ Sd sime
